

## TLC's Early Learning Center February 2010 Newsletter

### February sure did creep up on us!

Let's hope the groundhog doesn't see his shadow this year and MAYBE we can expect an early spring. The kids sure did enjoy some outside time during the warmer days of January, but we are all looking forward to the springtime.

To begin our NAEYC re-accreditation process, we will be asking you to complete a Parent Survey from NAEYC. These surveys are completely anonymous, and will be compiled into a report by me. I will be distributing these surveys on Monday Feb. 8th. We ask that you please take the time to complete the survey and return it to the center no later than Friday, Feb. 19th. We will be working on improvement plans for the center, and the results of this survey will help us tremendously. I want to THANK YOU in advance for your help.

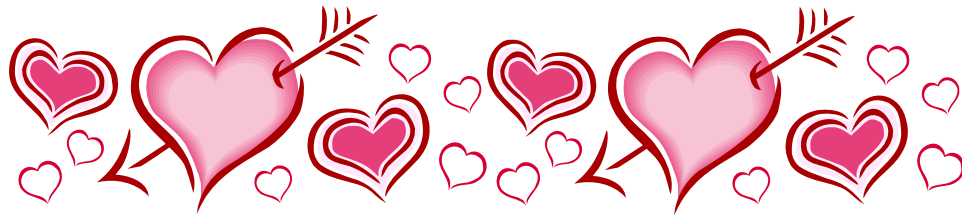

Please check with your child's teacher about the Valentine's Day parties scheduled for the classrooms. Most of the teacher's will be planning some party in the afternoon and will be handing out valentines. It's always a fun day around the center! The parties are planned for Friday, February 12, 2010.

Just a reminder: we still have some families that are not signing their child in on the computer. Please make sure you do this; we rely on those numbers for licensing and staffing purposes.

**A reminder that the center is CLOSED on February 15th for President's Day. We hope everyone enjoys a long weekend!**

**Happy Valentine's Day to all!**
