

## TLC's Early Learning Center February 2009 Newsletter

### Wow, February Already?

Let's hope it warms up some; we have sure had some really cold days in January. We wish all of our families a Very Happy Valentine's Day!

Please check with your child's teacher about the Valentine's Day parties scheduled for the classrooms. Most of the teachers will be planning a party in the afternoon and will be handing out Valentines. It's always a fun day around the center! The parties will be planned for Friday, February 13, 2009.

For all of our graduates, we have a special treat for you! On March 11, we will be enjoying the talents of *Catriona's Castle*. This is a hands-on children's theatre where our Road Runners will participate in a production of *Peter Pan*. We will be video-taping the class and giving copies to the parents. We are very excited for our graduates to have a special day dedicated to them. The teachers will be preparing special lessons prior to March 11 to get the children familiar with *Peter Pan*. Let us know if you have any questions.

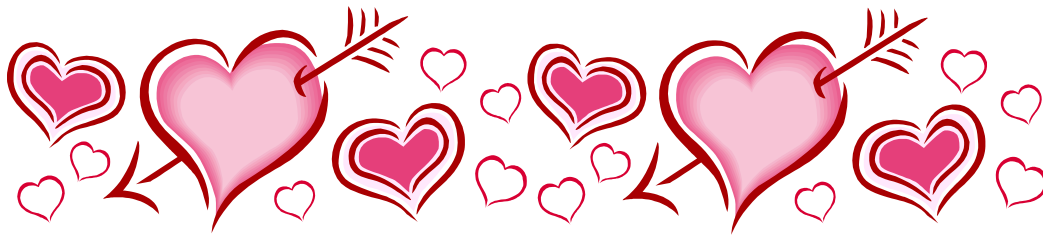

For those parents interested in receiving a statement of child care payments for tax purposes, please contact Kay Mays in our finance department at 240.813.6926. Please allow yourself plenty of time to receive this printout, as the totals are calculated by hand.

## Happy Valentine's Day to All!

Just a reminder, we still have some families that are not signing their child in on the computer. Please make sure you do this, we rely on those numbers for licensing and staffing purposes.

Also, if you haven't already completed the Parent Evaluations on the TLC website, please do so as soon as possible. The evaluations will only be available on-line until February 17. All families should have received instructions on their child's cubby. If you have misplaced your instructions, please see me and I will help you.

### February Reminders:

- 13<sup>th</sup> Valentine's Day Parties
- 14<sup>th</sup> Valentine's Day
- 16<sup>th</sup> CLOSED for President's Day

**REMINDER:** The center is CLOSED on February 16<sup>th</sup> for President's Day. We hope everyone enjoys a long weekend!
