

## TLC's Early Learning Center July 2009 Newsletter

**Our first few weeks of summer have been wonderful!**

We are really enjoying water play and Fun Fridays...and just think, we still have so much more to come!

We would like to thank all the parents who helped make our Fourth Annual ELC Family Picnic another success. The weather was perfect, we had a great turn out, and we thank everyone who contributed! We loved the bigger space this year and are looking forward to many more to come!

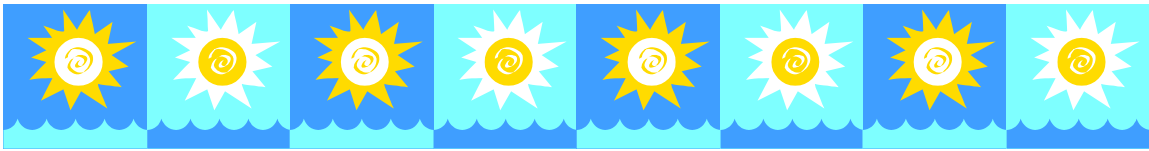

We have distributed the letter on our tuition increase for the coming year. If you have any questions, please feel free to contact me or Ms. Letitia. We would be happy to discuss this with you. As a reminder, the material fee has increased this year to \$140.00 per child, aged two and older. This is an annual fee due on Sept. 1st. We will be getting all the new payment agreements to the families by Aug. 1st.

We have also put our Parent Satisfaction survey on our website again. If you provided us with your email address in the beginning of the year, I sent the link through email. If we do not have your email address you may follow the directions on the letter to access our survey. Again, this is a very important tool we use to help evaluate the program and we appreciate the time you take to fill it out. If you have problems accessing the survey, please see me.
